

Maclay Crew “Try-Out” Requirements

TO: Interested Students

From: Maclay Crew Boosters

Crew is eager for you to come out to the lake for a “try-out” (usually 1 week), however Maclay School does not allow anyone to participate even on a “try-out” basis or attend a sports practice without the required forms on file.

Crew Coaches **DO NOT HANDLE OR DISCUSS PAPERWORK** so contact crew registrars, Mrs Nancy McClure, 893-9779 or Mrs. Jane Dennie, 668-0810. We need to be aware that you want to “try-out” and get you admitted to practice asap. You’ll need:

1. Maclay School Athletic Director’s required 3 forms: FHSAA Consent & Release form, Preparticipation Physical Evaluation form & Maclay School Emergency Treatment Authorization Card (notarized).

If you have participated in a school sport at Maclay this school year, these forms should already be in Mr. Irvin’s file (Maclay Athletic Director). You will need to request 3 copies of your Maclay School Emergency Treatment Authorization Card (green card), front and back, and 3 copies of only the front sheet of the Preparticipation Physical Evaluation form.

If you have **NOT** participated in a school sport this school year you will need to obtain these forms from Mr. Irvin (or from the main front office of the school). Once completed these forms must be submitted to Mr. Irvin. (Remember to make 3 copies of the Emergency Treatment Authorization Card & 3 copies of just the front page of the Preparticipation Physical Evaluation form for Crew before submitting them to him.)

These forms will be added to the Coaches’ Medical Books so please put each copy into a sheet protector.

2. 3 copies of your insurance card in sheet protectors.
3. Mandatory crew Swim Test which must be administered by a certified lifeguard or swim instructor. Form provided on the website: www.maclaycrew.org
At this time crew member Bailey Cunningham, who is a certified lifeguard, will administer this test for you at Lake Hall in Maclay Gardens (practice site). Contact Bailey to set up the test (see Maclay School Directory) and **BRING THE FORM WITH YOU.**

LAST STEP: As soon as you have this paperwork completed, call Mrs. McClure or Mrs. Dennie who will receive it from you and then get the Coaches’ ok for you to be admitted to practice.

Note: After the “try-out,” if you decide to join Crew, contact Mrs. McClure re the registration process and required fees immediately. No one is allowed to continue to attend practice or receive their park pass until their registration is complete and fees are paid.
